April, 2011

Dear Friends,

Greetings! We hope you are enjoying “Cheers to 25 Years” and that you will have a wonderful evening of fun and excitement. We would like to thank you for choosing to spend the evening at the 25<sup>th</sup> annual St. Xavier School Auction.

We hope that everyone has time to appreciate the effort put forth by those who helped make this night possible. The many gifts of time, talent and treasure that are present here tonight are examples of how blessed we are as a parish, school and community.

As you enjoy your time at the auction, let us not forget the reasons for this special event. We are here to have an enjoyable experience while giving back to the Lord a little of what He has given us. Tonight is a night to give thanks for the times we have enjoyed since last year’s auction and to lead us into a successful year ahead.

Enjoy the auction and God bless you!

St. Xavier Auction Committee

- 84 Contribute to This!**  
 Contribute to energy efficient windows to the preschool building. We want to replace the original 1953 windows and doors with energy efficient ones. This next step will have an improve the appearance and provide energy cost savings. The project will cost approximately \$23,000. The auctioneer will take the first bid as high as possible. That donor's number and amount pledged will be recorded. Any other donors wishing to donate at this level may also give their numbers. When all bidders at this level have been recorded, the auctioneer will try a lower amount. All bidders at this amount will be recorded. The auctioneer will continue lowering the amount and recording bidders until all bidding stops.
