

ST. XAVIER CATHOLIC SCHOOL

Small class sizes

Pre-K – 12

Family oriented

The mission of St. Francis Xavier Catholic School is to educate the whole person –

body, mind, and spirit

- in Christian values in accordance with our Catholic faith tradition.

You can pick up a registration packet **Monday-Thursday** from **9:00am-1:00pm** throughout the summer!

enroll today at www.saintxrams.org or call **238-2841**

ATHLETICS The high school boys basketball team went 14-5 on the season and placed first in the Paul H. Kellog Basketball Tournament at St. John's Military.

gin. Classes are offered from preschool through twelfth grade. Our class sizes are smaller, allowing for more teacher-student interaction and creative learning. We offer strong academics and a variety of extra-curricular activities including sports and academic teams.

By participating in daily student-led school-wide prayer, daily religion classes, and weekly Masses, our students learn to cherish their faith. Because learning takes place beyond the classroom, service to our community is an integral component to our educational program and a valued part of our school curriculum.

ART Students have the opportunity to take high school art where they can express themselves.

Educating for Eternity

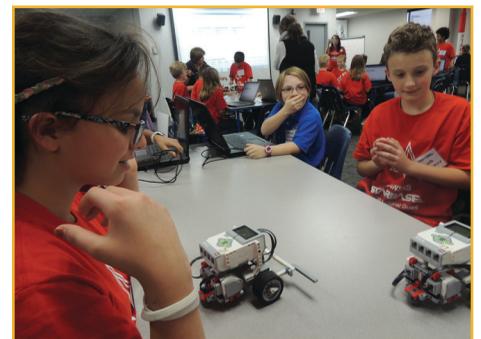

Shawn Augustine, Principal

Dear families,

St. Xavier Catholic School has been educating students since 1871 and is a place rich in tradition, and heavily invested in faith and family. With the help of our highly qualified, dedicated faculty and staff, St. Xavier is a nurturing, family environment where we educate our children for the world of tomorrow, as students grow closer to God through their faith.

Parent involvement is an essential component in promoting student success. We hope you will take advantage of the many opportunities from PTO, activities committee, fundraisers, and classroom activities.

I invite you to visit our campus and consider the exceptional educational program that we offer:

STEM 5th-6th grade students had the opportunity to participate at Starbase at Kansas State University where they experienced STEM (Science, Technology, Engineering, and Math) through hands-on projects.

St. Xavier Catholic School welcomes students of every religious belief, race and ethnic ori-

- Computer Technology/iPads
- Music & Art Education
- Physical Education
- Athletic Programs
- Clubs and Activities
- All Faiths Welcome
- Military Families Welcome
- After-School Care Available
- Bus Transportation Offered

Leaving a Legacy

Seniors Speak about their time at St. Xavier

At my old school I had been an outcast and the target of harsh words from my classmates, but at St. Xavier I was welcomed with smiles. Because of this, I no longer felt like an outcast and that is what St. Xavier means to me.

St. Xavier did truly educate my mind, body, and spirit. I grew in my education and went from a C average to an A and B average student. I grew in my Catholic faith more and more every day. St. Xavier gave me the necessary weapons to go through life and have the fortitude to face any challenges shielded by my faith, character, and morals.

St. Xavier was not just a school to me, it was my second home. St. Xavier has opened up many opportunities to meet new people, build relationships, and be independent. I am thankful for the education and faith provided by St. Xavier.
