

3.A. REPORT INCOME EARNED BY CHILDREN

A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.

What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

3.B. REPORT INCOME EARNED BY ADULTS

Who should I list here?

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
 - People who live with you but are not supported by your household's income AND do not contribute income to your household.
 - Infants, Children and students already listed in STEP 1.

<p>B) List adult household members' names. Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." Do not list any household members you listed in STEP 1. If a child listed in STEP 1 has income, follow the instructions in STEP 3, part A.</p>	<p>C) Report earnings from work. Report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. See detailed instructions on the back of the application.</p> <p><i>What if I am self-employed?</i> Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.</p>	<p>D) Report income from public assistance/child support/alimony. Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. <u>Do not report the cash value of any public assistance benefits NOT listed on the chart.</u> If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.</p>
<p>E) Report income from pensions/retirement/all other income. Report all income that applies in the "Pensions/Retirement/ All Other Income" field on the application.</p>	<p>F) Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.</p>	<p>G) Provide the last four digits of your Social Security Number. An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no SSN."</p>

STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.

<p>A) Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.</p>	<p>B) Print and sign your name and write today's date. Print the name of the adult signing the application and that person signs in the box "Signature of adult."</p>	<p>C) Mail Completed Form to: 200 N. Washington St. Junction City 66441</p>	<p>D) Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals.</p>

Income from Self Employment: Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment.

For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040. Add together the amounts reported on the following lines:

LINE 12	\$	Business Income or (Loss)
LINE 13	\$	Capital Gain or (Loss)
LINE 14	\$	Other Gains or (Losses)
LINE 17	\$	Rental real estate, royalties, partnerships, S corporations, trusts, etc.
LINE 18	\$	Farm Income or (Loss)
TOTAL	\$	Gross Annual Income Before Any Deductions
Computed Monthly Income	\$	Gross Annual Income ÷ 12 = Computed Monthly Income. Report in Step 3

The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Food Assistance (FA) Temporary Assistance for Families (TAF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
