

Addendum: Anti-Bullying Policy

Based on our philosophy that Catholic Schools have been established to provide an environment of faith, which brings all of life together within the grace of love of God, we have established the anti-bullying policy set forth. The Salina Diocese Catholic Schools views bullying as unchristian behavior and it will not be tolerated.

We define bullying as an act which:

1. Persistently hurts another individual either
 - a. Physically (such as pushing, hitting, kicking, spitting, or any other use of violence, taking items from, forcing to do something unwillingly), etc.
 - b. Verbally (such as teasing, name-calling, using sarcasm, threatening, spreading rumors), etc.
 - c. Indirectly (such as intimidating, excluding, being mean, tormenting, using hurtful gestures, making hurtful written comments including notes and unflattering pictures, intentionally damaging another student's property), etc.
 - d. Through use of technology (such as cyber bullying – using technology to hurt others through any communication device such as e-mail, cell phone, camera, chat rooms, text messaging, or websites), etc.
2. Is deliberate and sustained
3. Is intended to isolate, hurt, or humiliate another individual, or to increase social standing at someone else's expense
4. Is unprovoked

Nothing in this policy requires the *affected* student to possess a characteristic that is a perceived basis for the harassment, intimidation, or bullying, or other distinguishing characteristic for example the color of hair or skin, dress, demeanor, wearing glasses, etc.

Bullying can take many forms including: isolation, slurs, rumors, jokes, innuendos, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions. Bullying is an intentional act and it will be treated as such. No one forces a person to be a bully.

This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the education environment. Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other district policies or building, classroom, or program rules.

Counseling and corrective discipline by the principal, and/or referral to law enforcement when necessary will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation. False reports or retaliation for harassment, intimidation or bullying also constitute violations of this policy.

The goal of Salina Diocese Catholic Schools' anti-bullying policy is to ensure that all students experience a safe, Christian environment that is conducive to learning. The following steps will be taken when dealing with bullying incidents:

1. Isolated or initial incidents which do not constitute bullying will be handled by the teacher in charge at the time of the incident. Depending on the severity of the incident, the principal and/or parents may be notified. Disciplinary guidelines set forth in the school handbook will be followed.

2. Whenever possible, any incidents which may constitute bullying should be reported immediately to the teacher in charge at the time of the incident. The teacher in charge at the time of the incident will immediately deal with those involved in the incident.
3. In some cases, students may choose to report the incident to a different adult in the building, such as their homeroom teacher. If so, students are encouraged to report as soon as possible following the incident(s).
4. The principal or teacher in charge should be aware of any bullying incidents. Students engaging in bullying behavior will be disciplined according to the school discipline policy. Depending on severity and length of incident, parents may be notified, as well as other teachers who have the students involved in classes afterward. This will ensure that the incident does not continue when students proceed to the next class.
5. If the bullying does not cease after the student has been disciplined, parents will be notified, and further action will be taken according to the school discipline policy.
6. The consequences for bullying will vary depending on the situation, but may include, but are not limited to writing apology letters, after school detention, in school and/or out of school suspension, expulsion, community service, and referral to law enforcement.

In addition to the above outlined steps, anti-bullying policy requires the following:

1. Teachers of Catholic School students are expected to:
 - a. Teach their students about what constitutes bullying, effective strategies to avoid being bullied, and ways to report bullying.
 - b. Give their students opportunities to role play and practice the strategies taught to avoid bullying and to report incidents.
 - c. Teach their students strategies that can be used when students find themselves as bystanders to an incident. These strategies should also be practiced by the students under the guidance of the classroom teacher.
 - d. Have a designated area (ex. box and email) and method for students to report bullying and to leave messages discretely and anonymously for the teacher's attention.
 - e. Teachers will take every incident reported by the students. Student reports will not be dismissed as tattling. Every incident will be taken seriously. The teacher will determine if the report is unfounded or if further action should be taken.
2. Parents of St. Xavier Catholic School students are expected to:
 - a. Report concerns of bullying behavior to their child's appropriate teacher as soon as possible following the incident(s). If concerns are not handled sufficiently at this level, a report should be made to the building principal or teacher in charge as outlined in grievance procedures of the school handbook.
 - b. Understand and support the school's anti-bullying policy and actively encourage their child to avoid bullying behavior. This includes encouraging their child (after an incident) to respond to the situation by using non-bullying behavior.
 - c. Obtain anti-bullying information from teachers and/or principal if desired. Information can also be obtained through the St. Xavier Anti-bullying website, which is linked to www.saintxrams.org. The online reporting option in this website is also a good place to report bullying incidents.
3. Students of St. Xavier Catholic School should:
 - a. Report incidents of bullying they witness to the teacher in charge at the time of the incident, or to another staff member as soon as possible following the incident.
 - b. Whenever possible, stand up for the student being bullied and refrain from joining in bullying behavior.
 - c. Treat others with the respect and dignity that is expected of any Catholic School student.
 - d. Take pride in their school environment and play an active role in creating a positive learning atmosphere for every student attending St. Xavier Catholic School.
