### **Open Forum:**

Some amazing ideas were brought to the PTO! It was suggested, and approved, that a donation basket be added to the Spring dance in order to solicit funds for the PTO scholarship given to a Senior each year. Other ideas for adding to PTO's income were

including an admission fee to PTO sponsored events, prize raffles and buyouts, a booster club, adding an event, additional parent nights out, monthly movie nights, painted rock advertising, and a "saint shop". It was also suggested that we invite the parish to be a part of our fall fling.

April is the month of the military child, represented by dandelions and the color purple. PTO would like to celebrate the many military children that attend our school. Kaitlyn Law will organize several ways to honor our military kids for a week during April. She will put together a flyer and liason with others to hopefully organize a purple dress down day, group photos, church involvement, and service members joining us in serving ice cream on ice cream Friday!
